## **REQUEST FOR PROPOSALS RELEASED AUGUST 9, 2016**

2016 – 2017 Grant Cycle – HealthCare Foundation for Orange County

Santa Ana, CA, August 9, 2016– The HealthCare Foundation for Orange County seeks to fund projects which will improve the health of residents in Central Orange County.

For application documents please go to [www.hfoc.org/](http://www.hfoc.org/)

If you would like more information about this topic, please contact Terrie Druehl at 714-245-1650 or email at [info@hfoc.org](mailto:info@hfoc.org).

### **About The HealthCare Foundation for Orange County**

Formed in 1999, The HealthCare Foundation for Orange County continues to support coordination and collaboration with other health partners in order to increase resources applied to priority health areas. The mission of the HFOC is to improve the health of the neediest and most underserved residents, with particular emphasis on women and children, of Central Orange County through both independent and collaborative grant making activity.
